

Vaccinesmeet-2018

International Conference on

# **Vaccine Development and Trending Disease Control Methodologies**

20- 21 June, 2018 / Dubai, UAE

Venue: Hyatt Regency in Dubai

<http://www.vaccinesmeet.com/>

Theme:  
An Interaction for Discussing  
Research and Technology  
towards Vaccines, Vaccinations,  
and Immunization for Prevention  
of Human Diseases and Healthier  
Society

# Preliminary Schedule

Conference Preliminary Schedule has been made to enlighten the programme. Each speaker has been allocated a 20 min to deliver their talk and a day consist of two refreshment breaks along with a lunch break. Sessions and number of talks are tentative at this moment and may increase as we bring the final scientific programme with list of speeches and speakers in detail. This programme includes opening ceremony, poster session, providing a limited number of students to talk and a closing ceremony.

Day 1	
DAY - 1 Chair / Co-chair	
Session 1	
Opening Cermony	09:00 - 09:20 - An introduction to the conference and welcome speech by conference Chairperson
Key note	09:20 - 10:00
Innovation in Vaccine Technology and Engineering/Human Vaccines-Infectious and Non-infectious Diseases/Immunization Safety and Vaccination Schedule	
Speaker 1	10:00 - 10:20
Speaker 2	10:20 - 10:40
Speaker 3	10:40 - 11:00
Morning Refreshments and Tea/Coffee Break	11:00 - 11:15
Vaccination for contralling or ending HIV/AIDS/Vaccines for Pregnant women and Neonates	
Speaker 1	11:15 - 11:35
Speaker 2	11:35 - 11:55
Speaker 3	11:55 - 12:15
Vaccination and Genetic diseases/Neurology and Vaccination	
Speaker 1	12:15 - 12:35
Speaker 2	12:35 - 12:55
Conference Lunch Break	13:00 - 14:00
Oncology and Vaccination/Advances in Vaccine Delivery Technologies	
Speaker 1	14:00 - 14:20
Speaker 2	14:20 - 14:40
Speaker 3	14:40 - 15:10
Afternoon Refreshments and Tea/Coffee Break	15:10 - 15:25
Workshop 1	15:30 -16:15
Poster Presentations	16:15 -17:00

<b>Day 2</b>	
DAY - 2 Chair / Co-chair	
Session 1	
Day 2 - Opening Speech	09:00 - 09:20 - An introduction to second day sessions by conference Co-Chairperson
Key note	09:20 - 10:00
Side Effects of Vaccines/Application of Synthetic Genomics and Biotechnology/Bioinformatics in Vaccine Design	
Speaker 1	10:00 - 10:20
Speaker 2	10:20 - 10:40
Speaker 3	10:40 - 11:00
Morning Refreshments and Tea/Coffee Break	11:00 - 11:15
Vaccination and Clinical Studies/Regulation-Documentation-Production and Manufacturing of Vaccines	
Speaker 1	11:15 - 11:35
Speaker 2	11:35 - 11:55
Speaker 3	11:55 - 12:15
Developing Safe-Effective-and Affordable Vaccines/Epidemiology of Vaccines	
Speaker 1	12:15 - 12:35
Speaker 2	12:35 - 12:55
Conference Lunch Break	13:00 - 14:00
New Vaccine Strategies Against Chronic Viral Infections/Development of Preventive Vaccines for Viral Infections	
Speaker 1	14:00 - 14:20
Speaker 2	14:20 - 14:40
Speaker 3	14:40 - 15:10
Afternoon Refreshments and Tea/Coffee Break	15:10 - 15:30
Workshop 2	15:30 - 16:15
Closing Ceremony, Certificates and Awards Presentation
